NOTES AND PRECIS.

Letter No.927, dated the 15th Febry, 1934, from the the District and Sessions Judge, C & M Station, Bangalore.

---

1 The Indian Partnership Act has been applied to the Civil and Military Station, Bangalore. The Act supersedes Chapter XI and exceptions 2 and 3 to section 27, relating to partnerships, of the Indian Contract Act which is in force in the Station.

2 Unlike Joint Stock Companies which require to be registered under the Indian Companies Act, 1913, it was not previously necessary for partnership firms to get registered. The Indian Partnership Act however provides for their registration, (section58), and for the appointment of a Registrar of Firms (section.57) for the purpose. Section 69 of the Act disables a firm or its partners from suing in a Court to enforce any right unless it is so registered. The last mentioned section will come into effect from the 1st August 1934.

3 It becomes necessary therefore to appoint a Registrar of Firms and to make proper arrangements for the registration of partnership firms. There is a very large number of unregistered firms doing business in the Station. The number of Joint Stock Companies registered in the Station on the 31st march 33 was only 14. There is likely to be considerable rush for the registration

registration of firms and their registration is also likely to yield good revenue. Three alternatives are possible in regard to the appointment of Registrar of Firms.

(1) To appoint the Registrar of Joint Stock Companies as the Registrar of Firms. This is the suggestion of the District Judge.

(2) To appoint the Registrar of Assurances as the Registrar of Firms.

(3) To appoint a separate officer..

Alternative No.(1).

Secretary to the Resident is at present the Registrar of Joint Stock Companies, and is also in addition Commissioner of Income-tax. It is very doubtful whether he can find the time necessary to do this additional work.

Alternative No.(2).

The District Judge is the present Registrar of Assurances for the Station. He is also the Registrar of Births and Deaths. He does not apparently like the idea of having this additional work thrown on him.

Alternative No.(3).

The work of the Registrar of Assurances, of the Registrar of Joint Stock Companies, and of the Registrar of Firms and of the Registrar of Birth

Births and Deaths pertains to one department, viz., the Registration Department and all registration work in Madras is in charge of the Inspector-General of Registration. It seems hardly necessary that the work of a Registrar of Joint Stock Companies or of the Registrar of Firms should be done by an officer of the status and responsibility of the Secretary to the Resident. The same remarks would also apply, though with less force, to the Registration work done by the District Judge. It seems appropriate to have a separate office and a separate officer for all registration work, including the registration of firms. The officer will then perform the duties of the Registrar of Joint Stock Companies, Registrar of Assurances and Registrar of Firms. Registrar of Births and Deaths. It is not necessary however that the initiative in this matter should be taken by this office. The District Judge as Registrar of Assurances and Registrar of Births and Deaths is in charge of a major part of the work of Registration now done in the Station. He may for the present also be appointed Registrar of Firms. It may be left to him to bring forward a proposal on the above lines, supported by sufficient data, in due course, if and when he deems it fit to do so.

A draft order appointing the District Judge as

as Registrar of Firms is submitted for consideration.

(From page 1)

8. I do not consider that Secy. to Resd: can possibly take it on. He has more than enough to deal with as it is. I do not in fact think that Secy. to Resd: should be Registrar of Joint Stock Companies either. Some one else should be found to take this order from him.

9. As far as I can ascertain, Dist. Judge also has as much work as he can properly deal with; and I should feel very reluctant to add any more to his responsibilities.

Hardly agree that the proper solution is to put all registration work into the hands of one officer. He would be

- Registrar of Joint Stock Companies
- " " Firms
- " " Assurances
- " " Births and Deaths

This would not in itself be enough to provide full time work for a single officer;

but it would mean quite an appreciable addition to other duties. I always felt that it was a great pity that we had to abolish the post of Asst Secy. He could very well (it seems to me) have taken on the whole of the Registration work.

10 At the moment however we are faced with the necessity of appointing some one at once to be Registrar of Firms. I am reluctant to put it on to Dish. Indge if I can see any way out. Can Spicer suggest any immediate way (which will not involve too much extra expenditure) of putting all the Registration work at once into the hands of one officer? Or, in the alternative, can they suggest any other officer than Dish. Indge to be Registrar of Firms?

11.

Since the above notes were written by the Secretary the post of ~~the~~ Assistant Secretary has been revived in this Office. As suggested by the Secretary in his notes the new Assistant Secretary may be appointed as the Registrar of Firms.

12

If it is thought not desirable to saddle the new Assistant Secretary with this additional responsibility the suggestion of the Secretary to put all registration work in the hands of a new Officer may be given effect to. The pay of the new post may be fixed at a comparatively low figure. Perhaps the new Officer may be also asked to do the work of the Registrar of Co-operative Societies and thereby give some relief to the District Magistrate. ~~I may add for the information of the Secretary that~~ It is understood that there are a good number of firms in C & M Station, Bangalore, several of them being Marwari-firms which will come under the scope of the Indian Partnership Act. The registration of the names of partners and of the dissolution of such firms will have to be separately done under the provisions of the Act before the Registrar of Firms and this registration will fetch a decent revenue to the Government.

(The file may be sent to the District & Sessions Judge and Registrar of Assurances unofficially and his views on the subject may be invited, if approved.)

~~The question of appointing~~ Appointment of a separate Registrar for Assurances, Cooperative Societies, Joint-Stock Companies and for the Court of the Hon'ble the Resident and Judicial Commissioner of Coorg would be the best solution. But pending the Creation of such a post with the necessary staff it is submitted, that the

D.J. Judge may as a temporary measure be appointed as Registrar of Firms and he may be asked to submit proposals for any additional establishment required by him. This establishment would eventually be absorbed into the Office of the Combined Registrar Contemplated in the beginning of this note.

Subject:- Establishment for the Office of the Registrar of Firms, C.& M.Station, Bangalore - Reference Your letter No. 4810/R.O.I dated 7th July 1934.

I have the honour to state that it is not possible for me at this stage to estimate exactly the volume of work that may devolve on the Office of the Registrar of Firms, Bangalore to enable me to fix definitely the establishment that may be required to cope with the work. Taking into consideration the fact that under Section 69 of the Indian Partnership Act no Suit to enforce a right arising from a contract or conferred by the said Act shall be instituted in any Court by or on behalf of any person suing as a partner in a firm against the firm or any person alleged to be or to have been a partner in the firm and that no Suit to enforce a right arising from a contract shall be instituted in any Court by or on behalf of a firm against any third party, unless the firm is registered and the person suing is or has been shown in the Register of Firms as a partner in the firm excepting in the special cases covered by Subsection (4) of Section 69 of the above Act and the existence of a fairly large number of Marwari and

P. T. O.

~~(2)~~

Multani firms carrying on money-lending and banking business, in addition to other mercantile firms which I am given to understand are fairly numerous in the Station, I am inclined to believe that the volume of work of the Office of the Registrar of Firms may be pretty large. A perusal of the provisions of Chapter VII of the Indian Partnership Act and the rules to be framed by the Local Government (a copy of the draft rules has been sent to you with my letter No. 2719 dated 12-7-1934) under Section 71 (2) of the Act will show the responsible character and extent of the work that will devolve on the Registrar of Firms and his Establishment. In this connection I may be permitted to bring to the notice of the Hon'ble the Resident that there will in all probability be a heavy rush for registration by local firms during the current year as Section 69 of the Indian Partnership Act comes into force in this Station on - 1st August 1934. I would therefore request that the Hon'ble the Resident may be pleased to sanction as a temporary measure the following establishment for the Office of the Registrar of Firms, C.& M.Station, Bangalore from 1-8-1934 till the close of this Official year and that necessary funds may be placed at my disposal to meet the establishment charges:-

S.N.4.

Designation.	No. of posts.	Pay Rs
(1) Head Clerk	1	60 - 4 - 100
(2) Clerks	2	35 - 2 - 55 (each)
(3) Typist	1	35 - 2 - 55
(4) Peons	2	15 (each)
Total strength of the establishment	6	

~~(3)~~

When sanction of the Local Government is sought for the continuance of the Establishment of the Office of the Registrar of Firms for the next official year and to place it on a permanent basis, suitable modifications in the strength of the Establishment could be made by the Hon'ble the Resident in the light of the experience gathered by the working of the Act till then.

2. I request also that the Hon'ble the Resident may be pleased to sanction an allotment of Rs 1000/- under the head of "Contingencies" for the Office of the Registrar of Firms for the current year as expenditure on necessary articles of furniture, a Typewriter, Office equipment, rubber stamps, Service Postage Stamps etc., have to be incurred.

2. The Government of India consider that the receipts and expenditure in connection with the administration of the Indian Partnership Act 1932 in the Civil and Military Station, Bangalore, should be accounted for in the budget of the Assigned Tract, Bangalore. In the circumstances it is presumed that the necessity for an additional grant will not arise as it should be possible to meet this small expenditure by re-appropriation in the sanctioned budget of the Assigned Tract, Bangalore, for 1934-35.

OFFICE OF THE RESIDENT IN MYSORE.
BANGALORE.

File No. 371-34

Sir,

Establishment of the Office of Registrar of Firms.

The Hon'ble the Resident in Mysore was pleased to sanction an establishment for the newly constituted Office of the Registrar of Firms, consisting of a Head-Clerk on Rs 60-4-100/-, a Typist and Clerk on Rs 30-3/2-45-2/2-55 and a peon on Rs 15/- temporarily for a period of seven months with effect from 1-8-1934 in his Proceedings No. 5265/F.371-R.O.I/34 dated 28-7-1934.and the period covered by the said sanction will expire on 28-2-1935. 32 Firms were registered under the Indian Partnership Act during a period of six months from 1-8-1934 to 31-I-1935. As the Indian Partnership Act is a new enactment and as registration of partnerships is a novel introduction in this Country, many partnership firms have not yet begun to appreciate the advantages of getting themselves registered under the provisions of the said Act. I am therefore of opinion that in course of time many more firms will gradually resort to registration under the provisions of the Act.

S.N.8/Corp 23-24 (B)

2. In the light of experience gained by the working of the Act in the Station, I am of opinion that for the

present only one senior Clerk on Rs 60-4-100 and a Peon on Rs 15/- would be sufficient establishment for the Office of the Registrar of Firms and I request that the Hon'ble the Resident may be pleased to sanction the above establishment on a permanent basis with effect from 1-3-1935. I am purposely suggesting the retention of a senior Clerk on Rs 60-4-100/- for this Office as only an experienced senior Clerk can scrutinise whether the applications filed under the Act have complied with the provisions of the Act and the rules framed thereunder and also because he has to be in charge of cash receipts and remittances of that Office and maintain all the important registers including cash-book of that Office in proper form. I solicit early orders in the matter.

I have the honour to be,

Sir,

Your most obedient servant,
